PT6A and PW100 Exciter

CH92106-1 (3043937-06)

PT6 operators have relied on Champion exciters to deliver consistent performance and reliability in the most challenging conditions. Now Champion offers a PT6 exciter Exchange/Upgrade Program for most PT6 powered aircraft.

The Champion Exciter Advantage

- Built-in back-up with dual-channel redundancy (not available with competitive exciters)
- Solid state components for reliability and long life
- Two-way interchangeability with 10-381550-4
- Three-year new parts warranty
- Available from Champion distributors
- Two mounting positions to fit into limited areas

Refer to chart on back for aircraft/engine applications
